

***FASTRAK***

Need a Dry Freight Body Quick...  
Fastrak DELIVERS

Preconfigured Bodies, for ***FAST DELIVERY***

**Fastrak Bodies**

When you need a quality truck body and you need it fast, Morgan's Fast Track™ offers the quality and standard features you need (and expect from Morgan), with

### FT-1

Key options include: 3/8" plywood sides, 1/2" plywood front and durable, staggered pattern wood flooring for unobstructed cargo loading.

### FT-2

3/8" plywood sides and 1/2" plywood front with partially exposed Apitong slats to provide varying degrees of sidewall protection; as well as options for sidewall tie-downs.

### FT-3

An Apitong scuff-guard with 6 rows of durable Apitong slats for easy tie-down anywhere along the perimeter.

Fastrak Dry Freight body delivers! Fastrak provides the quality construction without an overabundance of options that can delay delivery.

#### FT-4

No liner, for instances where tie downs are unnecessary and cargo is unlikely to shift.

#### FT-5

½" side and front plywood where a higher degree of sidewall protection is preferred.

#### FT-6

And an Aplitong scuff-guard with 7 rows of Aplitong slats to maximize options to secure cargo to the sidewalls.
